Moving Checklist

☐ PLAN AHEAD

Schedule Early: Book your move well in advance to ensure we can allocate the necessary resources and meet any special requirements you have.

☐ ESSENTIALS BOX

Pack Smart: Prepare a box with essential items you'll need on moving day and your first night in your new home. This will save you from rummaging through all your boxes.

☐ COMMUNICATION

Stay Connected: Inform us about any special items, access restrictions, or specific requirements. Good communication ensures a tailored and efficient move.

☐ PACKING STRATEGY

Organize and Label: Pack your items by category and room. Clearly label each box to make unpacking easier. Take extra care with fragile items by wrapping them securely.

☐ PARKING ARRANGEMENTS

Secure Spaces: If necessary, arrange for parking space for our truck at both your old and new locations to facilitate smooth loading and unloading.

☐ ADDRESS UPDATE

Notify Contacts: Inform the post office, friends, family, and subscription services about your new address.

☐ UTILITIES

Disconnect and Connect: Arrange to disconnect utilities at your old home and connect them at your new one. Nobody likes moving into a dark, cold house!

☐ PETS AND PLANTS

Special Care: Make arrangements for your pets and plants. They need special attention during the move.

☐ FINAL WALKTHROUGH

Double-Check: Before leaving, do a final walkthrough to ensure nothing is left behind.

☐ RELAX AND TRUST

Leave It To Us: On moving day, sit back and relax. Let our experienced team handle the heavy lifting and ensure your move is smooth and worry-free.
